Re: Qualified Provider List for Security Guard Companies for Non-Public Schools

Dear Vendor:

I am pleased to inform you that your recertification application has been approved and your organization will remain on the Department of Citywide Administrative Services ("DCAS") Qualified Provider List.

The DCAS Qualified Provider list will be reviewed periodically to ensure providers continue to meet the necessary qualifications for inclusion on the list. Please contact us immediately if there are any changes to the information provided in your application. Failure to disclose any changes in a timely manner may result in your company's removal from the Qualified Provider list.

Please note that inclusion on the Qualified Provider list does not guarantee that a participating Non-Public School will select your organization to provide security services.

Vendors engaged with a school seeking reimbursement under DCAS' administration of the Non-Public School Security Guard Reimbursement Program must ensure that unarmed security guards are paid no less than prevailing wage, as stipulated under Local Law 2 of 2016 and Chapter 14, Title 55 of the Rules of the City of New York. For a review of Prevailing Wage, please visit the NYC Office of the Comptroller's website and view "Building Service Employee Prevailing Wage Schedule LL Article 9" for more details.

In addition to Prevailing Wage compliance, engaged vendors must comply with both the insurance requirements set forth in the Department Rules at Title 55 RCNY §14-05 and the training requirements set forth in Title 55 RCNY §14-06. Please refer to the enclosed Insurance Requirements for Security Guard Companies for guidance.

We appreciate your interest in doing business with the City of New York.

Respectfully,

Stephen Stamo
