Re: Insurance Program and Financial Security

Dear Tom:

We have had the privilege to serve Unique Elevator Interiors for many years and offer this letter as a brief summary of your insurance program for your easy reference as well as for any of your interested customers.

First, we can confirm that all of your insurers carry an A.M. Best rating of A. Attached is a sample certificate of insurance that lists the policies with limits of insurance identified along with the respective insurance company. Each policy is written as broadly as possible and complies with any reasonable contract you might encounter from your customers. Also there are no liability deductibles or "retentions" on your policies.

Additionally, as added security for major projects, Unique Elevator Interiors has an excellent relationship with Nationwide Mutual that serves your need for surety bonds. The surety underwriter is willing to consider writing surety bonds up to \$1,000,000 single and \$4,000,000 aggregate. This of course is subject to the review of the contract, obtaining bid results and any other underwriting information that might be required at the time of a bond request.

Lastly, Unique Elevator Interiors enjoys an excellent safety record. This is likely the most important highlight as it provides additional confidence and a high comfort level to all those working with you. Your current "Experience Modification" is 60% as published by the state rating bureau.

You are indeed a highly valued client of ours and your insurers.

Very truly yours,

Dean Sigmundson
