

COMMERCIAL ROOFING

QUALITY ROOFS BEGIN WITH THE RIGHT FOUNDATION

We're a family-owned and operated business, providing commercial & industrial roofing services for customers throughout the Southeast. We're large enough to perform any job on time and on budget, yet able to provide the quality of service and communication that is typically found only in smaller companies. Our mission is, *"To build relationships and make life easier for our clients by providing exceptional service and quality, and a fair price."*

Building on decades of experience, our customers have trusted Highland Roofing with more than **5,000,000** square feet of commercial and industrial roofing. Whether you need a leak repaired or need a completely new roof, Highland will tailor services to meet your needs.
