Re: TerraMod Excavating – Bonding Capacity

To Whom It May Concern:

This letter confirms that we are the bonding agent for TerraMod Excavating. We have known the principals of the company for five years going back to their tenure with another excavating company.

Surety information for TerraMod Excavating is as follows:

Underwriting Surety:	Developers Surety and Indemnity Company (AmTrust Group)
AM Best #:	011752
Licensed in Colorado:	Yes
Web:	www.amtrustsurety.com
AM Best Rating:	A-(Excellent)
FEIN#:	42-0429710
Single Bond Capacity:	\$400,000
Aggregate Bond Capacity:	\$800,000

Please understand that with all of AmTrust’s clients, bonding arrangements is a business matter between the contractor and AmTrust and we assume no liability to third parties should future bonds not be issued. We are pleased to recommend TerraMod Excavating to you. Should you have any questions pertaining to TerraMod Excavating or their bonding capacity, please contact our office.

Sincerely,

Doug Rothey
President
