RE: Enguard Contractors LLC

To Whom It May Concern:

It has come to my attention that Enguard Contractors LLC is being considered to work for your company. Enguard Contractors LLC is a current account of Integrated Insurance Solutions and is in great standing. They have recently been approved for bonding with Auto owners Insurance for \$200,000. I consider them to be a great account with an impeccable reputation and stellar record. Enguard Contractors LLC has not applied for a bond greater than \$200,000 but would likely qualify if they were to consider higher limits.

Please understand that any arrangement for final bonds is a matter between Enguard Contractors LLC and Auto Owners Insurance. This letter should not be perceived as a bid bond nor a performance bond. We assume no liability to you or any other third party. Should a bond be required for a job with Haselden Construction, Enguard Constructors LLC would need to apply.

If you have any questions, please feel free to contact our office.

Sincerely,

Heather Berry
