

RE: ProTint Vendor Reference

July 2, 2020

To Whom It May Concern,

This letter serves as a professional reference for 3M Pro-Tint & Detail. I first discovered Pro-Tint four years ago, and as a new commercial building owner, I entrusted them with all of our tinting needs. Thereafter, I continued to use their services for residential and vehicle tint. I continue to recommend Pro-Tint to anyone seeking tinting services.

This recommendation is not only for services rendered by Pro-Tint, but also for the 3M Prestige tint product. You will experience a 2-year return on investment, and using this product will put your building one step closer to getting Green certified.

Please do not hesitate to contact me for further details. I would be happy to provide additional insight should you find it helpful.

Sincerely,

A handwritten signature in blue ink that reads 'Brian L. Carwile'.
