## ALLIANCE GENERAL CONSTRUCTION

Alliance GC specializes in construction management. We carefully customize the construction team to each project and have excellent working relationships with some of the most reputable construction and engineering companies in the USA.

We consider construction management to be essential to the quality of a client's investment and pride ourselves on our progressive approach and assurance to excellence in the outcome.

It is of prime importance that projects stay on track and the reputations of AGC and its clients are preserved. We enforce diligent PMP and OSHA processes to ensure the highest levels of health and safety are maintained, so accidents are reduced throughout the life cycle of the project.
