Review by Christine B. in Cuyahoga Falls, OH

Project: Landscape Yard or Gardens

Comments: Chuck and Rob were wonderful to work with. I hired them for my parents house. The backyard was very overgrown and the fence was dilapidated and falling down. My parents are unable to do the work due to health issues and I can't do it by myself so I was looking for someone to clear out bushes, overgrown hedges and saplings that were quickly turning into small trees! Chuck called right away through the home advisor app and was able to come out the next day to quote the job. Their price was exactly what I thought it should be and exactly what we were hoping to spend. We hired them on the spot and we were on their schedule the following week. They called the night before to confirm and showed up when they said they would. They were able to complete the job in 1.5 days. They removed the old fence & hauled it away, they pulled out all the overgrown hedges, stumps etc. planted 13 arborvitaes where the fence once stood and planted 6 additional decorative shrubs. They applied landscape fabric to block the weeds and mulched all the beds. The back yard looks amazing and the neighbors are thrilled and so are we! Thank you Chuck and Rob for a fantastic job! I will be hiring you soon to do some work around my home! -Christine

Review by Laura F. in Akron, OH

Project: Haul Waste, Junk, Debris and Building Materials to the Dump

Comments: They did a great job hauling away my yard waste, including a wooden play set. They were able to remove all the items within a week. They were polite, showed up on time, and cleaned up all traces of my pile. The price of removal was considerably less than other estimates I received. I will recommend them to everyone I know.

Review by Donald W. in Akron, OH

Project: Landscape Yard or Gardens

Comments: Chuck and Rob completely prepared the beds with new topsoil and landscaped them with a pleasing mix of smaller plants that grow well in Northeast Ohio. If you're looking for a top-notch landscape company, give R.N.C. a call. They do much more than hauling.
