RE: The Oxford  
6009 Oxon Hill Rd  
Oxon Hill, MD

Dear Judy,

I wanted to say thank you for another outstanding job at The Oxford project. Installing 2 separate metal chutes has helped our jobs overall schedule. The coordination and install by your field is top notch. From site visit to proposal to install to dismantling has always been smooth.

Thank you again and I look forward to having you on our next project.

Sincerely,

Craig Beamer

Vice President of Construction
