

CUSTOMIZED STEEL PRODUCT DISTRIBUTOR

CLIENT BACKGROUND

Distributor of Customized Steel Products Across Various Industries

STRATOSPHERE NETWORKS SOLUTION

Stratosphere's team of trusted advisors conducted initial advisory meetings with the client. We reviewed and researched our portfolio of suppliers and, through our objective advisory consulting services, we recommended they speak with an organization in our partner network that could offer assistance with Salesforce, as well as BI and analytics. Through our partner's consulting services, the client received the following solutions and deliverables:

- Dashboards, scorecards, and enterprise key performance indicators (KPIs) for both clients and company management
- 18 hour/week reduction in manual reporting tasks
- Consolidation of eight QuickBooks Instances, Microsoft Access Data, ADP and Salesforce

BENEFITS

As a result of our trusted advisor services and our partner's consulting services, the client is now a data-driven and more efficient organization.

PROJECT BACKGROUND AND CLIENT CHALLENGE

The client reached out to us because they were having issues properly utilizing their Salesforce solution and were struggling with business intelligence (BI) and analytics.

Stratosphere Networks, a leading IT managed service provider and BBB Accredited Business, has been recognized as hiredMyway's #1 technology company, a Channel Partners 360° Award winner, CRN Fast Growth 150, and MSPmentor's Top 501 Global Managed and Cloud Providers. We offer our clients a wide range of managed services including Virtual CIO and Consulting, Cloud solutions, proactive monitoring, business continuity, backup and disaster recovery, email, spam, antivirus, desktop and server support, router/firewall management, virtualization, remote and on-site service, and more. Our team of IT experts works collaboratively leveraging our unparalleled \$2.5 Million Network Operations Center to provide world class service.
