April 11, 2007

Dear Randy,

I wanted to drop you a note to sincerely thank you for the tremendous job you and your crew did for us again. In the eleven years and multiple tenant improvement projects we have collaborated on, this most recent project is your 'finest work' with us. I knew we were in for a challenge with a 7 week schedule bearing down on us and 3 holidays to work through in that time, but never had a doubt in my mind that you wouldn't deliver. Once again, your diligence, attention to detail, and professional manor in which you, your crew and office support conduct business made a difficult task an enjoyable one with a tremendous end result. Jerry, our crew and myself couldn't be happier in our beautiful new state of the art Santa Monica studio.

If you ever need a referral of any kind, please do not hesitate to contact me.

Thanks again Randy - you guys nailed it and then some - literally!

Gratefully and Sincerely Yours,

John Myers
