MANUSCRIPT COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Please read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words “you”, “your” or “Named Insured” refer to the Named Insured shown in the declarations. The words “we”, “us”, and “our” refer to the Company providing this insurance. The term “insured” means any individual or entity that qualifies as an “insured” under the terms of this policy and any endorsements made a part of this policy.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section VI-Definitions.

We, the Company named in the Declarations, in consideration of the payment of the premium, the undertaking of the Named Insured to pay the applicable Self-Insured Retention, in reliance upon the statements in the application attached hereto and made a part hereof, subject to the limits of liability shown in the Declarations, and subject to all of the terms of this insurance, agree with the Named Insured as follows:

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as “damages” for “bodily injury” or “property damage” to which this insurance applies. We will have the right and duty to defend you, the Named Insured, against any “suit” seeking “damages” to which this insurance applies, and which is timely reported to us as provided hereunder. Except as otherwise provided in this policy, we have no duty to defend any other insured. Our duty to defend you is further limited as provided below and in the exclusions made part of this policy. We will have no duty to defend any insured against any suit seeking damages for bodily injury or property damage to which this insurance does not apply and/or which is not timely reported to us. We may at our discretion investigate any occurrence and settle any claim or suit that may result. But:

- (1) The amount we will pay for “damages” is limited as described in Section IV - Limits of Liability;
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of “damages” medical expenses, and/or “claim expenses” under Coverage A, B and/or C

(3) It is expressly understood and agreed that “claim expenses” (including defense expense) are included within, and are not in addition to, the Limits of Liability set forth in the Declarations;

(4) As noted in 1(a) above, we have no duty to defend any insured other than the Named Insured. However, we shall have no duty or obligation to defend the Named Insured in connection with any “claim” or “suit” where any other insurer is obligated to defend the insured, and we shall have no duty to contribute to or participate in the defense provided by any other such insurer. We shall have the right but not the obligation to defend any insured in connection with any “claim” or “suit” under these circumstances and/or where the insured has any other insurance under which, but for the existence of this Policy, any other insurer is obligated to provide a defense; and

(5) Notwithstanding the law pursuant to which this policy shall be construed, we may look to and consider extrinsic evidence outside of the allegations and/or facts pleaded by any claimant to determine whether we owe a duty to defend or indemnify against any “claim” or “suit”. We may, at our discretion, investigate any “occurrence” and settle any “claim” or “suit” that may result.

b. This insurance applies to “bodily injury” and “property damage” only if:

(1) The “bodily injury” or “property damage” is caused by an “occurrence” that first takes place or begins during the “policy period”. An “occurrence” is deemed to first take place or begin on the date that the conduct, act or omission, process, condition(s) or circumstance(s) alleged to be the cause of the “bodily injury” or “property damage” first began, first existed, was first committed, or was first set in motion, even though the “occurrence” causing such “bodily injury” or “property damage” may be continuous or repeated exposure to substantially the same general harm;

(2) The “bodily injury” or “property damage” resulting from the “occurrence” first takes place, begins, appears and is first identified during the “policy period”. All “bodily injury” or “property damage” shall be deemed to first take place or begin on the date when the “bodily injury” or “property damage” is or is alleged to first become known to any person, in whole or in part,

even though the location(s), nature and/or extent of such damage or injury may change and even though the damage or injury may be continuous, progressive, latent, cumulative, changing or evolving;

- (3) Prior to the “policy period”, no insured listed under Paragraph 1 of Section III–Who Is an Insured and no “employee” authorized by you to give or receive notice of an “occurrence” or “claim”, knew that the “occurrence”, or any resulting “bodily injury” or “property damage” had taken place, in whole or in part. If such a listed insured or authorized “employee” knew, prior to the “policy period”, that the “occurrence”, “bodily injury” or “property damage” occurred, then any continuation, change or resumption of such “bodily injury” or “property damage” during or after the “policy period” will be deemed to have been known prior to the “policy period”; and
- (4) All other insurance available to the insured(s) has been exhausted, regardless of any other insurance condition or clause in such insurance and regardless of whether such other insurance is stated to be primary, excess or contingent, unless such other insurance specifically is written to apply in excess of this particular policy in the Insuring Agreement of such other policy, which specifically references this policy by its policy number, “policy period”, and policy limits.

- c. To the extent we pay any sums in connection with the defense or indemnity of any insured hereunder, we reserve the right to seek and obtain reimbursement for any sums paid in the connection with the defense and/or indemnity of non-covered claims.

2. Exclusions

This exclusion does not apply to “bodily injury” or “property damage” arising out of the operation of

This exclusion also applies to any situation or claim where any insured’s work is limited to providing conclusions, consultation, opinions, or supervision services.

i. **Damage to Property**

- (3) Property loaned to you;

Paragraphs (1), (3) and (4) of this exclusion do not apply to “property damage” (other than damage by fire) to premises, including the contents of such premises, rented to you for a period of 7 or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in Section IV – Limits Of Liability. Paragraph (2) of this exclusion does not apply if the premises are “your work” and were never occupied, rented or held for rental by you. In the event the insured does not comply with this provision, no "claim expenses" or "defense costs", "damages", loss, cost or expense will be payable by us.

- e. Satisfaction of the Self-Insured Retention is a Condition Precedent to any coverage under this policy for any insured. As a condition precedent to the Company's obligations to provide indemnity, coverage or defense hereunder to any insured, that insured shall first have the obligation and duty, upon receipt of notice of any incident, "claim", offense or "occurrence" that may give rise to a "suit", to provide at its own expense proper investigation and defense of any claim. Additionally, the insured will exercise utmost good faith, diligence and prudence to accept any reasonable offer of settlement within the Self-Insured Retention. No insured may settle any claim or "suit" which exceeds the applicable Self-Insured Retention amount without our prior written consent.
- f. The insured's obligation to provide for its own defense and investigation is terminated upon the exhaustion of the Self- Insured Retention as described above. The insured is required and shall provide written evidence of its own payments of amounts within the Self-Insured Retention, and will keep the Company notified of the amounts incurred by the insured and the status of the satisfaction of the Self-Insured Retention. Only fees and costs paid by the subject insured following tender of the "claim" or "suit" to us, and for which the evidence and notice of payments has been timely provided to us, shall apply to satisfy the Self-Insured Retention.
- g. Alternatively, at our sole election, upon our request the insured shall pay over and deposit with us the Self-Insured Retention amount as specified, to be applied by us as payment toward any damages, "claim expenses" or expenses incurred by us in the handling or settlement of any "claim", "occurrence" or "suit". If we make such an election, we shall have the right to negotiate a reasonable settlement which is more than, equal to, or less than the Self-Insured Retention amount (and will return the balance to you, if any, of any unused Self-Insured Retention). Payment of the

Self- Insured Retention is due immediately upon receipt of our request.

- h. The applicable Self-Insured Retention applies whether or not there is any available other insurance. In no event will amounts received through such other insurance for the payment of "Defense costs" reduce the Self-Insured Retention.
- i. In the event of a "suit" we shall have the right to select defense counsel, even if the amount claimed in the suit is unspecified or less than the applicable Self-Insured Retention amount. If the Named Insured selects its own counsel, then such fees will not apply towards the Self-Insured Retention amount unless the counsel and rates are approved by us in advance.
- j. The applicable Self-Insured Retention amount reflected in the Declarations or made part of this policy by Endorsement applies as follows.
 - (1) **Per Occurrence Basis:**

If the Self-Insured Retention is on a "per occurrence" basis, the Self-Insured Retention amount applies "per occurrence" to all "damages", "claim expense", "defense costs" and any other SUPPLEMENTARY PAYMENTS – COVERAGES A AND B, paid in connection with any "bodily injury", "property damage" or personal and advertising injury" as provided in the policy terms, regardless of how many claimants, "claims", or parties may be involved in any "claim" or "suit".
 - (2) **Per Claim Basis:**

If the Self-Insured Retention is on a "per claim" basis, the Self-Insured Retention amount applies separately to the damages, "claim expense", "defense costs" and any other SUPPLEMENTARY PAYMENTS – COVERAGES A AND B, made in connection any "bodily injury", "property damage" or personal and advertising injury" sustained by or claimed by any one person or organization, regardless of how many persons, organizations, or projects may be included in any "suit". The Self-Insured Retention applies per-claimant (person or organization), or per-structure implicated in any "suit", whichever is greater.

V. COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this policy.

2. Duties in the Event of Occurrence, Claim, or Suit

a. You must see to it that we are notified of an "occurrence" or an offense or event which may result in a "claim" as soon as practicable but in no event later than thirty (30) calendar days after any insured first becomes aware of such "occurrence", offense, or event. To the extent possible, notice should include:

- (1) How, when and where the "occurrence", offence, or event took place;
- (2) the names and addresses of any injured persons and witnesses; and
- (3) the nature and location of any injury or damage arising out of the "occurrence", offense, or event.

b. If a "claim" is made or "suit" is brought against any insured, you must:

- (1) immediately record the specifics of the "claim" or "suit" and the date received; and
- (2) notify us as soon as practicable but in no event later than thirty (30) calendar days after your first knowledge of such "claim" or "suit".

c. You and any other involved insured must:

- (1) immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "claim" or "suit";
- (2) authorize us to obtain records and other information;
- (3) cooperate with us in the investigation or settlement of the "claim" or defense against the "suit"; and
- (4) assist us, upon our request, in the enforcement of any right against any person or organization, including any other insurance carrier, surety, or bonding company, which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. Irrespective of reasons, excuses, justification, or prejudice to us:

- (1) We will not be liable for any cost, payment, expense (including legal expense) or obligation assumed or incurred by an insured or anyone acting for or on behalf of an insured, without our express consent, other than first aid; and

(2) We will have no liability for any default judgment entered against any insured, nor for any judgment or settlement or determination of liability rendered or entered before notice to us giving us a reasonable time in which to protect our and the insured's interests.

e. Notice given by or on behalf of the insured, or written notice by or on behalf of the injured person or any other claimant, to any agent of ours, with particulars sufficient to identify the Named Insured, shall be considered to be notice to us.

3. Legal Action Against Us

No person or organization has a right under this policy:

- a. to join us as a party or otherwise bring us into a "suit" asking for "damages" from an insured; or
- b. to sue us on this policy unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for "damages" that are not payable under the terms of this policy or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, and the claimant or the claimant's legal representative.

4. Other Insurance

a. This insurance shall be in excess of any other valid and collectible insurance available to the insured whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise, unless such other insurance is written specifically to apply in excess of this particular policy. This insurance will apply only after all other insurance available to the insured has been exhausted regardless of any other insurance clause or condition of such insurance.

b. This insurance is excess over any other primary insurance available to you covering liability for damages arising out of the premises or operations or the "products-completed operations hazard" for which you have been added as an additional insured by attachment or endorsement.

c. Pursuant to the Insuring Agreement, we have no duty to defend any insured other than the Named Insured. However, we will have no duty under Coverages A or B to defend the Named Insured against any "suit" if any other insurer has a duty to defend the Named Insured insured against that "suit". This Policy affords a defense to an insured only when no other insurance for the insured provides a defense. If no other insurer defends, we will undertake the defense, subject to the

provisions of this policy, but will be entitled to the insured's rights against all other implicated insurers.

- d. When this insurance is excess, we will have no duty to defend the insured against in connection with any "occurrence", "claim", or "suit".

5. Premium Audit

- a. We will compute all premiums for this policy in accordance with our rules and rates.
- b. Premium shown in this policy as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such time as we may request.
- d. If any "Named Insured" refuses to allow us access to its records sufficiently to conduct such audit, then we shall have the option to pursue either one of the following:
 - (1) To initiate all available legal and/or equitable remedies available in a court of proper jurisdiction to enforce and accomplish the subject audit, which recovery shall include all reasonably incurred audit fees, attorneys' fees, and related costs incurred in connection therewith; or
 - (2) To invoice the first "Named Insured" for any additional premium equal to the greater of fifty percent (50%) of the original minimum and deposit premium shown on the Declarations page of this policy or nine thousand dollars (\$9,000) for each "Named Insured", whichever is greater.
- e. Additional premiums invoiced under Subparagraph d(2) above, are due and payable on such invoicing to the first "Named Insured". Interest at the maximum rate allowed by the first "Named Insured's" state laws, or if no such laws then ten percent (10%) interest, shall accrue thirty calendar days after such invoicing on all amounts due from the first "Named Insured" under Subparagraph 5d. above. The first "Named Insured" shall pay upon demand, all additional premiums invoiced and due, as well as all reasonable attorneys' fees, collection costs, and court costs required by us to enforce our rights and remedies under this Paragraph 5.

If any additional premium is not paid promptly, the policy may be canceled at our discretion. If the total earned premium for the policy period is less than the advance premium, then the advance premium is the minimum premium and not subject to further adjustment.

- f. Any single waiver by us of auditing the subject policy, including but not limited to waiving the audit upon a return premium, shall not act as a continuing or permanent waiver, and we shall still have the right to audit at any time, for a three (3) year time period following the termination or expiration date of this policy.

6. Representations

By accepting this policy, you agree:

- a. The statements in the application are your representations, that they shall be deemed material and that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between you and the Company, or any of its agents, relating to this insurance.
- b. The application made to us for insurance, including all statements and representations contained therein, is incorporated herein and made part of the policy.
- c. If, prior to the inception date, any insured has knowledge of any fact, circumstance or situation reasonably indicating the probability of a claim or action for which coverage may be afforded by this insurance, any "claim" or "suit" subsequently emanating there from shall be excluded from coverage under this policy.

7. Separation of Insureds

Except with respect to the Limits of Liability, application of separate applicable Self-Insured Retention(s), and any rights or duties specifically assigned to the first Named Insured, this insurance applies:

- a. as if each Named Insured were the only Named Insured; and
- b. separately to each insured against whom "claim" is made or "suit" is brought.

8. Transfer of Rights of Recovery Against Others to Us

If the insured has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. Changes

This policy’s terms shall not be waived or changed except by written endorsement issued by us and made a part of this policy. This policy constitutes the entire agreement between the insured and us, including any of our agents relating to this insurance. Notwithstanding this condition, a Named Insured may at any time buy back certain of the exclusions and/or endorsements contained in this policy. A list of the exclusions and endorsements that a named insured may buy back is available upon request.

10. Examination of Your Books and Records

We may examine and audit your books and records as they relate to this policy at any time during the policy period and up to three (3) years thereafter.

11. Inspections and Surveys

- a. We have the right to:
 - (1) Make inspections and surveys at any time;
 - (2) Give you reports on the conditions we find; and
 - (3) Recommend changes.
- b. We are not obligated to make any inspections, surveys, reports or recommendations and any such actions we do undertake relate only to insurability and the premiums to be charged. We do not make safety inspections. We do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public, and we do not warrant that conditions:
 - (1) Are safe or healthful; or
 - (2) Comply with laws, regulations, codes or standards.

Paragraphs a. and b. of this Condition apply not only to us, but also to any rating, advisory, rate service or similar organization that makes insurance inspections, surveys, reports or recommendations.

Paragraph b. of this Condition does not apply to any inspections surveys, reports or recommendations we may make relative to certification, under state or municipal statutes, ordinances or regulations, of boilers, pressure vessels or elevators.

12. Premiums

- The first Named Insured shown in the Declarations:
- a. is responsible for the payment of all premiums; and
 - b. will be the payee for any return premiums we pay.

13. Assistance and Cooperation of the Insured

The insured shall cooperate with the Company and, upon the Company’s request, shall submit to examination(s) and interrogation by a representative

of the Company under oath if requested, as frequently as may reasonably be required, outside the presence of any other insured, and shall sign the transcript of any of such examination(s) or interrogation, and shall attend hearings, depositions and trials, and shall assist in effecting settlement, securing and giving evidence, obtaining the attendance of witnesses, and in the conduct of “suits”, as well as in the giving of a written statement or statements to the Company’s representatives and meeting with such representatives for the purpose of investigation and/or defense, all without charge to the Company. The insured shall further cooperate with the Company and do whatever is necessary to secure and effect any rights of indemnity, contribution, or apportionment, which the insured or we may have. The insured shall promptly provide to us all documents, materials, and information reasonably requested by us in connection with any of the foregoing, and in connection with any prior losses, business activities, profits, liabilities, assets, claims, demands, suits, and related matters.

14. Selection of Counsel

When we have the duty to defend any “suit” against the insured, we expressly retain the right to select defense counsel even if we reserve our rights concerning the applicability of coverage under this policy. In the event that we agree to the retention of defense counsel of the insured’s choosing, our obligation to pay for such defense shall be limited to “reasonable fees” and reasonable expenses. For purposes of this provision, “reasonable fees” means fees calculated at the rate we would pay counsel selected by us.

It is a condition of this provision that any counsel selected by the insured must meet the following minimum qualifications:

- a. Five years of civil litigation practice;
- b. Admission to the relevant state or federal bars;
- c. Pertinent trial experience;
- d. Specific experience in the subject area of the lawsuit; and
- e. Reasonable levels of available errors and omissions coverage.

15. Service of Suit

The Company hereby designates the Superintendent, Commissioner, Director of Insurance, or other official specified for that purpose under the laws of the state or commonwealth wherein the policy is issued, as its true and lawful attorney upon whom may be served any lawful process in any action, “suit” or proceeding instituted by or on behalf of the Named Insured or any

beneficiary hereunder arising out of this contract of insurance, and such Superintendent, Commissioner, Director of Insurance, or other official specified for that purpose under the laws of the state or commonwealth wherein the policy is issued, is hereby authorized and directed to accept service of process on our behalf in any such “claim” or “suit”.

16. Headings

The headings sub-headings and titles of this policy are for descriptive and reference purposes only and are not to be deemed in any way to limit, modify or affect the terms and conditions of this policy.

17. Assignment of Interest

This policy and any and all rights hereunder are not assignable without our express written consent.

18. Anti-Stacking

The Limits of Liability set forth in the Declarations are the most that the Company will pay for any and all “occurrences”, “claim(s)” and/or “suits” to which this insurance applies, regardless of the number of insureds involved, occurrences, claims made, or policy(ies) issued to any insured(s) by us or any of our affiliated companies. If a “claim” or “suit” involves more than one “occurrence”, or Coverage Part hereunder, we will pay no more than the highest applicable Limit of Liability less than one Coverage Part applicable to one “occurrence”. In the event that we issue more than one policy to you or any insured hereunder, the only policy that will apply is the policy in effect on the date on which the “occurrence” causing the “bodily injury” or “property damage” alleged commences or first takes place, or the date on which the “occurrence” or offense alleged is committed (or is alleged to have first been committed) that causes the “personal or advertising injury”, whichever is earlier.

Consistent with the Prior Work and Prior Products exclusion (x):

- a. If the injury or “damages” claimed in any “claim”, “suit” or proceeding are alleged to have resulted in whole or in part from “your work” or “your product” that was first performed or provided during the “policy period” of this policy, then subject to the provisions of this policy the only potentially applicable policy issued by us will be this policy, even if “your work” continued thereafter or “your product” was provided, in part following this policy.
- b. If “your work” was performed, or “your products” provided, in part during this policy and in part prior to this policy, any injuries or damages claimed or asserted to result therefrom shall be deemed to have taken place prior to the policy period of this policy.

- c. If this policy is a renewal of an immediately preceding policy or policies, then any injuries or damages claimed to arise from “your work” or “your product” performed or provided in part during this policy and during a preceding policy will be deemed for the purposes of coverage to have taken place entirely in the earliest policy period during which “your work” first commenced or is alleged to have first commenced, or “your product” was first provided or is alleged to have first been provided. No more than one policy issued by us will ever apply to any single “occurrence”, offense, “claim”, “suit”, or legal proceeding.

19. Right of Reimbursement of Defense Costs and Indemnity Payments

We have the right of reimbursement of all “defense costs” we incur in defending any insured and any indemnity payments we make in connection with a “suit” or in connection with any “claim(s)” for which there is no coverage under this policy, regardless of whether the “claim(s)” or “suit” included allegations or damages that may have been potentially covered at the time of tender to us or not. This right of reimbursement extends to all “defense costs” paid by us for defense of causes of action and/or “damages” for which there is no coverage under this policy, and any related indemnity payments. Our right of reimbursement of such sums shall include prejudgment interest incurred by us from the date the payment(s) were made by us.

20. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
- b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - (1) Ten (10) calendar days before the effective date of cancellation if we cancel for non-payment of premium; or
 - (2) Thirty (30) calendar days before the effective date of cancellation if we cancel for any other reason.
- c. We will mail or deliver our notice to the first Named Insured’s address shown in the declarations.
- d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.

- e. If this policy is cancelled, we will send the first Named Insured any premium refund due as follows:
 - (1) if we cancel, the refund will be pro rata; or
 - (2) if the first Named Insured cancels, the refund may be less than pro rata and will be computed by the Company's customary short-rate procedure.
- f. The cancellation will be effective even if we have not made or offered a refund. Notwithstanding the foregoing, if we have elected to audit the policy rate basis under the provisions of Section V (including paragraphs 10 and 11 respecting examination of your books and records), the first Named Insured agrees to pay the higher of:
 - (1) the earned premium as computed by such audit; or
 - (2) the earned premium as computed by such customary short-rate procedure of the minimum and deposit premium If the first Named Insured cancels, or as computed pro rata if we cancel.
- g. If notice is mailed, proof of mailing will be sufficient proof of notice.
- h. Compliance with State Laws.
Notwithstanding the foregoing, we shall comply with any applicable state laws or regulations respecting the cancellation, non-renewal, or renewal of this policy, and related notice requirements, to the extent that they may be inconsistent with the foregoing provisions of this Paragraph 20.

21. "Policy period" means the period beginning with inception date and ending with the expiration date shown in the Declarations or earlier date of termination or cancellation.
22. "Pollutants" mean any solid, liquid, gaseous or thermal irritant or contaminant, including but not limited to acids, alkalis, animal/bird droppings, chemicals, fumes, medical waste, refractory ceramic fibers, fiberglass, smoke, soot, vapor, dust, waste or other hazardous or toxic substances listed as such by any state or federal agency or department, and the by-product of any chemical, mechanical or thermal process or reaction. Waste includes any regulated waste, or materials to be recycled, reconditioned, or reclaimed.
23. "Products-completed operations hazard"
- a. includes all "bodily injury" and "property damage" occurring away from premises you own or rent and arising out of "your product" or "your work" except:
 - (1) products that are still in your physical possession; or
 - (2) work that has not yet been completed or abandoned. However, "your work" will be deemed completed at the earliest of the following times:
 - (i) when all of the work called for in your contract has been completed;

- (ii) when all of the work to be done at the job site has been completed if your contract calls for work at more than one job site;
- (iii) when that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

- b. Does not include "bodily injury" or "property damage" arising out of:
 - (1) the transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured; or
 - (2) the existence of tools, uninstalled equipment or abandoned or used materials; or
 - (3) products or operations for which the classification, listed in the Declarations or in a policy schedule, states that products-completed operations are subject to the General Aggregate Limit.
24. "Property damage" means:
- a. physical injury to tangible property caused by an "occurrence" that first takes place or begins during the "policy period"; or
 - b. loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of the "occurrence" that caused it. Loss of use of tangible property alone, without any physical damage to any tangible property, does not constitute "property damage".
- For the purposes of this insurance, electronic data is not tangible property. As used in this definition, "electronic data" means information, facts or programs stored as or on, created or used on, or transmitted to or from computer software, including systems and applications software, hard or floppy disks, CD-ROMS, tapes, drives, cells, data processing devices or any other media which are used or stored utilizing electronically controlled equipment.
25. "Suit" means a civil proceeding in which "damages" because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies are alleged. "Suit" includes:
- a. an arbitration proceeding in which such "damages" are claimed and to which the insured must submit or does submit with our consent; or

- b. any other alternative dispute resolution proceeding in which such “damages” are claimed and to which the insured submits with our express written consent.
26. “Temporary worker” means a person who is furnished to you to substitute for a permanent “employee” on leave or to meet seasonal or short-term workload conditions.
27. “Volunteer worker” means a person who is not your “employee”, and who donates his or her work and acts at the direction of and within the scope of duties determined by you, and is not paid a fee, salary or other compensation by you or anyone else for their work performed for you.
28. “Your product”:
- a. means:
 - (1) any goods or products, other than real property, manufactured, sold, handled, distributed or disposed of by:
 - (i) you;
 - (ii) others trading under your name; or
 - (iii) a person or organization whose business or assets you have acquired; and
 - (iv) containers (other than vehicles), materials, parts or equipment furnished in connection with such goods or products.
 - b. “Your Product” includes:
 - (1) warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of “your product”; and
 - (2) the providing of or failure to provide warnings or instructions.
 - c. “Your Product” does not include vending machines or other property rented to or located for the use of others but not sold.
29. “Your work”:
- a. means:
 - (1) work or operations performed by you or on your behalf; and
 - (2) materials, parts or equipment furnished in connection with such work or operations.
 - b. “Your Work” includes:

INDEPENDENT CONTRACTOR/SUBCONTRACTOR CONDITIONS PRECEDENT

This endorsement modifies coverage provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

As a condition precedent to any coverage or defense obligations under this policy for any liability arising, in whole or in part, from any work performed by, or products provided by, any of your independent contractors or subcontractors (including material suppliers), and always subject to all provisions, exclusions, and sublimit(s) contained in the policy, all of the following conditions must be satisfied:

- (1) All of your independent contractors or subcontractors (including material suppliers) that perform work, and/or provide materials or products, on or in connection with any project must be “adequately insured” as defined below;
- (2) All of your independent contractors or subcontractors (including material suppliers) must, prior to the commencement of their work and/or provision of materials or products, whichever the case may be, in connection with any project, provide legally enforceable written agreements holding you harmless and indemnifying you against all losses and liability arising from the work performed by or on behalf of the independent contractors or subcontractors, or products they provide, in connection with such project, and (2) expressly requiring that you be named as an “additional insured” under the subcontractors and/or independent contractor’s general liability insurance for ongoing and completed operations with such coverage being expressly primary to any other coverage available to you;
- (3) Each of your independent contractors or subcontractors (including material suppliers) must, prior to the commencement of their work and/or provision of materials or products in connection with any project, name you as an Additional Insured on their respective Commercial General Liability policies, and provide you with Certificates of Insurance and authorized Additional Insured Endorsements reflecting such coverage;
- (4) The Additional Insured coverage provided to you and reflected in the Certificates and Endorsements specified in Item No. 3, above, must be in effect from the time the independent contractor or subcontractor (including a material supplier) commences work and/or provides materials or products in connection with any project, to the time the work is completed; must be expressly primary to any other insurance available to you (including this policy); and must expressly extend additional insured coverage to you for completed operations.
- (5) All of your independent contractors or subcontractors (including material suppliers) must maintain, for the duration of their work or services in connection with any project, general liability insurance coverage that is equal to or greater than provided by this Policy, with limits of at least \$1,000,000.00 (One Million Dollars) per-occurrence; and
- (6) You must obtain and maintain the written indemnity agreements, Certificates of Insurance, and authorized Additional Insured Endorsements from all independent contractors or subcontractors (including material suppliers) that you hire providing evidence of insurance, including Commercial General Liability (as noted above), as well as Workers’ Compensation insurance coverage and, as a **condition precedent** to any defense or indemnity obligation under this policy, you must:
 - (a) maintain copies of these documents for a period of no less than ten (10) years following the completion of all work performed by You or on Your behalf, and;
 - (b) provide these documents to us in connection with any “occurrence”, “claim”, or “suit” that arises in whole or in part from the work of any independent contractors or subcontractors (including material suppliers) you hire.

Third Coast Insurance Company

15200 West Small Road • New Berlin, WI 53151 • 866-206-5851

As used herein, "Adequately insured" means that the independent contractors or subcontractors (including material suppliers) that perform operations for you maintain Commercial General Liability insurance in force with limits of insurance for their operations that are equal to or greater than the limits of insurance shown in the Declarations of this policy, including operations performed for them by others, and that policies of such independent contractors or subcontractors do not exclude liability arising from the work being performed, or products being provided, for you. If your independent contractors or subcontractors have a policy that does not cover them for liability arising from the work they are doing for you, or products that they provide to you or on your behalf, then this policy (your policy) does not cover you for any such liability.

Except as set forth above, all of the terms, conditions and exclusions of this policy apply and remain in effect, including but not limited to any applicable **sublimit** as provided in the policy.

INCLUDING PRIMARY COVERAGE AND WAIVER OF SUBROGATION

The section of the policy entitled **III. – WHO IS AN INSURED** is amended to include as an additional insured any person or organization for whom you are performing operations when you and such person or organization have agreed in a legally enforceable written contract or agreement entered into before your work commenced, that such person or organization be added as an additional insured on your policy. The coverage afforded by this endorsement is only (1) with respect to liability in connection with the original **Named Insured's** ongoing operations performed for said **Additional Insured** during the term of this policy, and (2) only if the **Additional Insured** performs all obligations required under this policy.

The coverage afforded to an **Additional Insured** is limited to a claim made for a **Covered Loss** not covered by other insurance available to an **Additional Insured**, and is limited by the **provisions of the Insuring Agreement, Exclusions, Conditions set forth in the policy and all endorsements thereto.**

No coverage is afforded under the “products-completed operations hazard” for an **Additional Insured** pursuant to this endorsement. The coverage afforded to an **Additional Insured** under this endorsement ends as of the date of completion, abandonment, or termination of the work of the **Named Insured** at any jobsite, project, or structure. There is no coverage hereunder for any **Additional Insured** in connection with any claim or suit involving any claim for damage that takes place or is alleged to take place following completion of the **Named Insured's** work.

The “work” of the **Named Insured** will be deemed completed as of the date all work, including materials, parts or equipment furnished in connection with such work, on the project or any structure therein (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed, or when that portion of “your work” out of which the injury or damage arises has been put to its intended use by any person or organization, including another contractor or subcontractor engaged in performing operations as part of the same project, whichever is earlier.

The coverage provided for the **Additional Insured** is only to the extent that the additional insured is held liable for the negligence or strict liability of the **Named Insured**, and is only to the extent of and in the proportion **Additional Insured** is held liable for the negligence or strict liability/conduct/acts of the **Named Insured**. No coverage is provided for liability based upon the acts, errors or omissions of the **Additional Insured**.

If expressly required by a written and legally enforceable contract entered into by the **Named Insured** prior to commencement of work by the **Named Insured** for the **Additional Insured**, then the insurance afforded by the policy to the **Additional Insured** shall be primary insurance, and any insurance or self-insurance maintained by the above **Additional Insured** shall be excess of the insurance afforded to the **Named Insured** and shall not contribute to it.

If expressly required by a written and legally enforceable contract entered into by the **Named Insured** prior to commencement of work by the **Named Insured** for the **Additional Insured**, then we waive any right of subrogation we may have against an entity that is an **Additional Insured** per the terms of this endorsement because of payments we make for injury or damage arising out of “your work” performed under such written and legally enforceable contract with that **Additional Insured**.

Except as set forth above, all of the terms, conditions and exclusions of the policy apply and remain in effect.
