To Whom It May Concern,

It is my pleasure to enthusiastically recommend Good Guard Security.

My name is Caroline Neyman, Senior Director of Operations at The Green Music Center at Sonoma State University. I had the pleasure of working with Good Guard Security for several of our events this summer. Good Guard Security has been prompt to respond and have handled all of my security requests and needs.

During our time together, Good Guard Security proved to be timely, efficient, and goes above and beyond to fulfill the requests. Their expertise in event security was a huge asset that led to safe events.

I am confident without reservation that Good Guard Security would be an excellent fit for your event security needs.

Sincerely,
