**Your Regional SCS Certification - Pacific Rim Environmental, Inc. - 1152**

Dear Jeff Lewis:

Congratulations! Your business has been recertified in King County's Contracting Opportunities Program for Small Contractors and Suppliers (SCS). This letter is evidence of your certification and is valid for three years from the date of approval.

**SCS certification number: 1152**  
**Date of Approval: March 11, 2021**  
**Date of Expiration: March 11, 2024**

Your company's eligibility determination is based on 50% of the SBA business size standards for your principal business activity code which is based on the following NAICS code:

NAICS 541620: ENVIRONMENTAL CONSULTING SERVICES

The relevant financial condition for SCS certification is also based upon the owners' personal net worth being less than \$1,320,000.

To ensure your continued SCS status, you are required to submit a recertification application prior to your expiration date. King County will send notification 90 days prior to your renewal date. **You are required to notify our office in writing and within thirty days of any changes in your company profile that may result in your firm being ineligible to participate further in the program.**

As a program benefit, your company is listed in the King County SCS Directory. Please visit the following web address to review your company contact information to ensure that the information is accurate: <https://kingcounty.diversitycompliance.com>.

Next Steps!

Please make sure your firm is registered in King County's E-Procurement system. Registration is required to bid on King County procurements. Please visit [www.kingcounty.gov/procurement](http://www.kingcounty.gov/procurement) to register and find current opportunities.

Let us know how we are doing. Please complete our very brief survey by pasting the following link in your browser: <https://tinyurl.com/SCSsatisfactionSurvey>. We appreciate your feedback.

Thank you for your interest in doing business with King County and your participation in the King County Contracting Opportunities Program.

Sincerely,

Laura Preftes
