Re: Construction Developers, Inc. (CDI)
5320 North Barcus
Fresno CA. 93722

Subject: Letter of Recommendation

To Whom It May Concern:

This letter serves as formal recommendation for Construction Developers, Inc (CDI).

CDI has been instrumental in assisting CVS/Pharmacy and our prime developer establish accurate budget information and due diligence in our new Central California market. They have lent us their personnel at no cost and have shown their commitment to providing the customer information needed to developer in this new market with no outstanding issues.

To date, CDI has completed two ground-up projects for CVS and is currently underway on their third. Their commitment to staying on schedule and budget is their first priority and that is evident on the projects that they have completed and closed out for CVS this year.

CDI has proven an outstanding track record and will remain one of our primary General Contractors; we look forward to keeping them involved on our construction practices and look forward to working with them in the future.

George Mendoza
