Re: Highland Reservoir No. 1 - Membrane Filtration Plant
Contract 98001-03 General Construction
Plaster Subcontract

Dear Ms. Elstner,

I wish to take this opportunity to convey my gratitude for the job your firm performed at the Membrane Filtration Plant project. You completed your work in a professional manner with regards to the workmanship and the quality of the work, your attention to detail was outstanding and even though the project by its very nature produced obstructions on your path to completion, your firm finished its work ahead of schedule. We hope this project was as successful for you as you tried to make it for us.

Thank-you,

Steve Meyers
