Re: Black Box Corporation – Office Renovation

Dear Rebecca:

I would like to extend my appreciation for the excellent work that your company performed on the above referenced project. I have received many compliments on your work, from Subcontractors as well as the Owner.

It is a pleasure to work with an organization that is responsible in meeting deadlines, conscientious toward other subcontractors, takes pride in their work, and most importantly, keeping the Owner satisfied. Thank you again and I will look forward to working with you again in the near future.

Should you have any questions or require additional information, please do not hesitate to call.

Very truly yours,

MOSITES CONSTRUCTION COMPANY
