Letter of Reference for
Carey Construction Group LLC

I am a representative from Messiah Lutheran Church in Fairview Park, Ohio and am gladly submitting this Letter of Reference. Our Church enjoyed the professionalism and quality of work provided by Bill Carey and his team for a difficult project at our facility.

The task was to remove an accessibility ramp in favor of a new elevator system. It needed to reach three levels, cut through several different roof systems, and of course come in on time at or under budget! All of these things were accomplished by Carey Construction. Post construction, Mr. Carey has remained in contact with our Church. The work has stood the test of a few years time and we would use them again for other projects if the need arose.

I stand ready to talk with you or your committee as a further reference if needed. You can reach me via email at muhle@messiahfp.org.

Sincerely,

Marty Uhle
