In compliance with Indiana Senate Enrolled Act 508 – Public Works Prequalification of Contractors, this letter will serve to confirm that at this time the above captioned contractor qualified for Performance Bonds in excess of \$150,000, subject to a single job limit of \$30,000,000.00, and an aggregate limit of \$300,000,000.00 for bonded work in progress.

We have an established surety relationship for Facility Solutions Group, Inc. (FSG) with Liberty Mutual Insurance Company (LMS). LMS is a multi-line property and casualty insurance company currently rated "A" by A.M. Best. LMS has a Treasury Department single project qualification of \$1,276,747,000. Our decision to issue bonds required in connection with any particular project will be upon request of FSG and customarily includes an acceptable review of contract and construction documents, bond language, current underwriting conditions & information available to us at the time of such request.

Our experience with FSG, which extends over many years, has been excellent. We find this firm to be very well qualified, capably managed, well-staffed and organized, reputable, and extremely credit worthy. We are more than willing to consider providing bonds on any project that FSG seeks to obtain.

This letter is issued only as a bonding reference by our client and is not an assumption of liability or a bond. We assume no liability to third parties or to you if for any reason we do not execute said bonds.

I trust this to be satisfactory reference, but if additional information is needed, please do not hesitate to call.

Sincerely,

David B. Ward, Attorney-in-fact
