Dear Mr. Morris:

It is with great pleasure that we support H.A. Dorsten's nomination for ABC's prestigious award for the Hoosier Pride Farms Project. With the completion of over 290,000 S.F. of Chief Buildings under roof, spanning into eight different building complexes is resounding proof of what H.A. Dorsten, Inc. is capable of in today's marketplace.

I can assure you that the "Dorsten Team" was extremely innovative with their submitted designs, which was in direct response to their client's needs. The high level of detail that Dorsten demonstrated when crafting each scope of work, impressed our engineering & fabrication personnel most notable.

With H.A. Dorsten's extremely dedicated work force, Hoosier Pride was erected with great care and of the highest quality standards. The excellence of H.A. Dorsten's building practices will ensure this project's longevity and reliability for many years to come. We are extremely proud to have such a fine Chief Builder representing us in the Ohio Region and their presence holds everyone else in the industry to a high standard.

Sincerely,

John Price, President
