RE: CERTIFICATE OF EXCELLENCE  
Integra Shores at Daytona Beach

Dear Les Holman:

On behalf of LandSouth Construction, I am pleased to present you with the attached Certificate of Excellence in recognition of your company's contribution in the successful completion of Integra Shores at Daytona Beach. We sincerely appreciate all of your efforts in making this project a success. LandSouth wants you to know that your responsiveness and attention to detail does not go unnoticed. We are a service-oriented company and work very hard to see that our Owner's expectations are consistently exceeded. Partnering with companies such as yours is how we continue to stay busy in this competitive marketplace.

Les, I want to personally thank you for the outstanding service you provided at the clubhouse at the Integra Shores project. You provided a quality toilet partition package and installation ahead of schedule. Thanks again for all of your hard work and I hope we can work together again on a project in the near future.

We look forward to working together again in the future and will continue to send you bid invitations for upcoming projects. Please stay in touch with us and continue to visit our website for information on work that is in the pipeline. We are excited to continue our successful relationship and wish the very best for your business and all your employees.

Thank you again for your outstanding service!

Sincerely,

LANDSOUTH CONSTRUCTION, LLC
