SPECIAL PROJECTS

OWNER: TRI-ANGELS PLAYGROUND/CITY OF RIVER FALLS, WI
DESIGNER/DESIGN FIRM: GAME TIME – MINNESOTA WISCONSIN PLAYGROUND/ROSS & ASSOCIATES, LTD.

ROSS & ASSOCIATES, LTD.

RIVER FALLS, WI

The Tri-Angels Playground is a testimony to community compassion, dedica-

tion and teamwork. This structure is a 16,000 square foot handicap accessible playground built in the memory of three local elementary age sisters who tragically lost their lives through an act of violence.

The project consists of three playground sections specifically incorporating each of the girl's interests - designed uniquely to make the playground fully accessible for any child.

The Tri-Angels Playground was built in a four month period at a cost of \$600,000.00 with 20% of the work being self-performed.
