Dear Dan,

I'm pleased to submit this letter of recommendation to you for the ABC of Wisconsin Project of Distinction award. Our experience with Ross & Associates on our St. Croix Valley Business Innovation Center was very positive. Your project manager was great to work with, and the project was completed on time and within budget.

We are especially gratified to be able work with a local contractor that was professional in all of their dealings with our team, and who used local labor and sub-contractors on the project.

I commend Ross & Associates for the great work they've done, and would highly recommend them to anyone.

Sincerely,

Dale Jorgenson
President, River Falls Economic Development Corporation
