Dear BENARD GOTTSCHALK:

Thank you for submitting information on your facility's industrial and/or hazardous waste activity. Your facility has been assigned the above-referenced registration numbers.

In an effort to conserve resources, the Notice of Registration (NOR) for your facility is available via the web. Instructions on how to view and print your NOR are on the back of this letter.

Please take a few moments to verify ALL information and determine whether the NOR accurately reflects your facility's activities.

If you would like a paper copy of your NOR you can either print it from our web site or contact our Central File Room to request a copy (512-239-2900 or CFRREQ@tceq.state.tx.us).

You can update, correct, and add information to your NOR through our web application known as STEERS (State of Texas Environmental Electronic Reporting System). Submitting the Annual Waste Summary Report through STEERS extends the reporting deadline from January 25th to March 1st. If you are not currently using our free STEERS system, please consider visiting the site using the following URL. <https://www6.tceq.state.tx.us/steers/>

If you have any questions or concerns regarding your NOR or need help signing up for STEERS, please do not hesitate to contact a member of the Industrial and Hazardous Waste Registration and Reporting Program at (512) 239-6413 or WASTEVAL@tceq.state.tx.us.

Sincerely,
