Dear David,

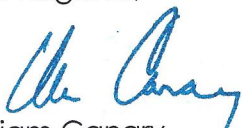

Thank you for your help with collections.

I have been your client since 1995 and in the past twenty years I have learned that if I follow your procedure I will always collect money owed to me.

My staff and I appreciate your expertise and patience in explaining the lien laws and the importance of keeping track of lien rights expiration dates in the collection process.

We look forward to our continued success in the coming years.

Best Regards,

William Canary
President
