Case Study : Temporary Modern Classroom swing space

“I would recommend Triumph Modular to anyone seeking high quality temporary classroom space. The building space provided along with the overall service experience exceeded our expectations.”

Colby College, Owner by request
Case Study: Temporary Arts Center

Meadowbrook School, Mr. Jay Austin, Mr. RJ Fine, Directors, Ms. Zaurie Zimmerman, OPM
Case Study : Custom Classroom Annex

Middlesex School, Mr. Steve McKeown, PM
Case Study: Temporary Classrooms

Town of Needham, Mr. Hank Haff, Director and Richard Thuma, OPM
Case Study: Public Green Specified Relocatable Classroom building

Modular buildings have evolved into a viable alternative to traditional construction and there is no question the success of Newman Elementary School Repair Project hinged on the ability of Triumph to deliver a new school facility over the course of a single summer. Your firm delivered the quality of space that is now home to almost 700 students has won over the most hardened skeptics.”

Champlain College, Mr. John Caulo, Director
Case Study: Office Building

St. Marks School, Mr. Robert Meyers, Director and John R. Syre-Scibona, OPM
Case Study : Temporary custom science classrooms

“Triumph’s efforts from design, estimating, construction, and finally through the installation phase has been a value added element to me in my role as Owners Project Manager.”
