landscape architect

Re: Letter of Recommendation
City Beautiful Landscaping, Inc.

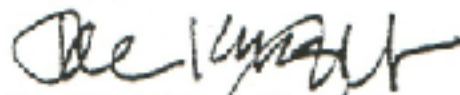

To Whom It May Concern:

Please allow this letter to serve as my highest recommendation of City Beautiful Landscaping, Inc. I have worked with Rusty Woodall for over twelve years, during which time his company has installed landscape projects ranging in scope from a few thousand to over \$250,000.

From my perspective, City Beautiful has distinguished themselves in their performance, quality of material, and workmanship. Likewise, they have unfailingly met even the most aggressive deadlines and taken the initiative to "make things happen" on difficult job sites.

I am pleased to recommend City Beautiful to you as an outstanding landscape contractor that will go above and beyond normal expectations to provide excellence in both service and the finished project. Should you need additional information, please contact me personally.

Sincerely,

Joe Knight, ASLA
