Dear Rusty:

I wanted to let you know how pleased I am with the work that you and your team have done at my residence. The improvements made to my landscape along with the regular maintenance have made a tremendous difference in the appearance of my home. I am very happy with the work done by your weekly crew, and Dave McWilliams has been a great representative for your company and has always addressed my concerns in a timely fashion. In addition, my dealings with George and Z have been fantastic as well.

The work that your commercial team has done at The Shoppes of Vista del Lago has also been excellent. The installation has served as the final touch to make our development really shine.

Thanks again for all that you have done to help me at both locations. I appreciate the genuine concern that all of your employees show for our properties, and look forward to using City Beautiful on future projects.

Sincerely,

William N. Leary
