Re.: Great Outdoors Church, Titusville, Fl Memorial Garden

Rusty,

The Memorial Committee would like to express our sincere appreciation for a "Job Well Done!" Your project manager, Allen, could not have been more professional or knowledgeable.

Rusty, we also were impressed with your confident easy to work with manner. If your future clients are looking for a reference, please have them contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Zahn". The signature is written in a cursive style with a large initial "D" and a long horizontal stroke.
