RE: Landscaping

Dear Rusty:

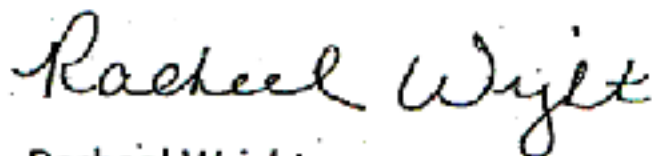

Enclosed please find our check numbered 1791 in the amount of \$8,359.63 as full and final payment for your landscaping services.

We want to thank you for such a tremendous job! Alan was reliable, kind and always helpful, and answered any questions with much knowledge. The overall experience was outstanding and we appreciate all the professional and knowledgeable workers including the irrigation and lighting people.

We will certainly recommend your services and will call on you in the future for any other work we may decide to do.

Again, thank you.

Kind regards,

Racheal Wright
