Dear Mr. Stelmack:

In February, Brigitte Fessenden submitted your renovation of the Senator Theater for a historic preservation award from Baltimore Heritage. I am pleased to let you know that our board of directors has selected your work to receive a Restoration and Rehabilitation Award as part of our 2014 historic preservation awards celebration. Congratulations and thank you for your contribution in maintaining Baltimore's historic places.

For nearly fifty years, Baltimore Heritage has hosted an annual awards reception in June where we present award certificates for each winning project. We are still finalizing the date and location for this year's celebration and I will forward an invitation to you shortly. Last year's event was at the newly restored Mill No. 1 building and attracted over 300 leaders in Baltimore's construction, architecture, business, and political fields. I hope that you can join us in June.

Again, congratulations on a well-deserved award. I invite you to check out our website (baltimoreheritage.org) for more information on our organization and programs. If you have any questions, please do not hesitate to call me at 410-332-9992 or send me an email at hopkins@baltimoreheritage.org.

Sincerely,

Johns Hopkins
Executive Director
