Dear Mr. Underwood,

My husband and I would like to thank you and Hercules Fence for the outstanding job your company did on the installation of our privacy and chain link fencing. Your crews (Bill, Dave, Elvis and Robert) were professional and their work was meticulous. We chose a black chain link fence for the back of our yard so that we could continue to enjoy the view of the trees. Elvis and Robert were very accomodating and were able to give us the results we were looking for. Our privacy fence is on a steep slope on both sides of our backyard. We were concerned about the appearance of a privacy fence since it would have to "roll" down these slopes. When Matt came by our house to finalize the contract, he reassured us that Hercules would build us "a beautiful fence." Bill and Dave did just that, and the fence is perfect. We will certainly recommend Hercules to our friends and neighbors!!

Sincerely,
 John & Angie Thompson
