Dear Jeremy,

I really wanted to Thank you for all of the time you took to make sure my fence was built correctly. I'm sure you spent a lot of time dealing with the gas company & I really appreciate all of your hard work.

And Scott Parker & his men did an amazing job on the fence! They worked so hard, did everything I asked them to do, and were so nice throughout the entire process.

I cannot thank them enough!

I love the fence & I really appreciate the time and energy
