Atlantic Abatement  
120 Manton Ave  
Providence, RI 02909

Dear Mr. Brynes:

I wanted to take a moment to thank you and your team at Atlantic Abatement for the services you provided in the removal of asbestos roofing tiles from my home. This was a job I had put off for years due to the hassle and expense involved. I made a number of inquiries about pricing and services offered as well as timelines for completion of the work. Atlantic Abatement offered a competitive price for the proposed work, but in contrast to my experience with other companies, you explained my options and the prices involved for each, my responsibilities as well as my rights as a residential home owner with asbestos on my property and you were very accommodating in scheduling the work.

I hope I don't need to take on any other big projects like this in the future, but would very enthusiastically recommend Atlantic Abatement to anyone who needs abatement services in the future.

Yours Truly,

Ed McGookin
