LETTER OF RECOMMENDATION

Monday, December 15, 2014

To Whom it May Concern,

We had the pleasure of working with Cozzens Construction Co., Inc throughout a recent upscale retail space renovation in City Center Washington, DC. This project was completed within budget and within an aggressive construction schedule.

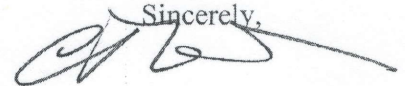

From the first day on this project Cozzens Construction Co exceeded expectations. They had to work very closely with the entire construction team in order to meet our deadlines and maintain a harmonious and safe jobsite. Their cooperation with the other trades was always evident and they arrived to site every day with a "can do" approach.

Cozzens Construction Co had sufficient manpower onsite to maintain schedule and a clean work area at all times. They never failed to address our concerns or to deliver on time without complaining or pointing fingers at the other trades.

I would not hesitate to use Cozzens Construction Co on any of our work and would highly recommend their services to anyone in need of a first-rate drywall contracting company.

If you need further information feel free to contact me.

Sincerely,

Charles Russo Sr
