To Whom It May Concern;

It is with great enthusiasm that I write a letter of recommendation for Porcelain and Fiberglass Maintenance, with whom I have been working with for years. I have consistently hired them because of a number of qualities that are important to me.

Most importantly, they are extremely dependable and conscientious. Their company always follows through with our demands for prompt scheduling based on our high occupancy. In addition, their crews have the ability to work with other members of construction crews and keep a high level of professionalism, which is a key element in the renovation process.

As always, the quality of work performed by Porcelain and Fiberglass Maintenance far exceeds that of any other company in the industry. Therefore, I strongly endorse them for any of your refinishing needs.

Sincerely,

Richard C. Bourque
