Dear Allan,

Enclosed is a check for the final payment on the recently completed renovation of the City Council Chambers and Carnation Room at the Encinitas Civic Center.

I'd like to thank you for being able to take on and complete the project on such short notice. Because of this, we were able to complete the task within a very limited amount of time while the City Council was on summer break. You and your staff have been a pleasure to work with, very quick to respond to questions or concerns and, most importantly, provided a high quality finished product. I have had nothing but compliments from the Mayor, Council members and Department Heads.

I will be happy to recommend your firm to others and hope to be able to work with you again on any future projects that may arise.

Thank you,

Bill Wilson
