

Testimonials

“Larry Anderson is a talented, competent commercial contractor with the highest level of professionalism and integrity. I would highly recommend his services to any interested company.”

- Thomas A. Beckett (Vice President Operations. Innozen Inc.)

“Larry Anderson and his support staff at ANDERSON Construction bring an excellent set of scheduling, budgeting and construction management skills to every project. ANDERSON Construction would be my first choice for general contractor. “

- Denise G. Luckhurst, PE (Principal, DL Engineering)

“All projects have been completed within a timely manner, adhering closely to the planned schedule. The work was performed and completed with extremely high quality and was meticulous in detail. Due diligence was taken with issues such as change orders and cost controls. The design build approach has been very successful with ANDERSON Construction and has allowed our projects expedited schedules. “

- Dave Nielsen (Executive Director of Manufacturing, Gensia Sicor Pharmaceuticals Inc.)

“It is rare to find a company so dedicated to quality service, meeting the Owner’s needs, and providing exceptionally qualified personnel. Your professionalism and proactive approach to problem solving directly led to resolving issues quickly and smoothly. “

- Peter van der Horst (Director, Capital Projects, Amgen)

“Mr. Anderson and his team have demonstrated a willingness to go the “extra mile” to ensure that every detail has been examined. This demonstrated work ethic is yet another reason that I would recommend ANDERSON Construction for a company’s design-build needs.”

- Thomas A. Beckett (Vice President Operations. Innozen Inc.)

“Thanks so much for all of your efforts on this project. Your personal attention to detail certainly proved to make this project a success. I have heard nothing but positive remarks about the finished project.”

- Doug Mangnuson (Senior Project Manager. Amgen)

“As well as providing excellent service, your company managed the project through superior communication, organization and reliable follow up to ensure that the different phases of construction were completed in a timely manner. ANDERSON Construction also showed the willingness to listen and be flexible to accommodate the unexpected changes that were required due to City inspections and manufacturing setbacks of BMW purchased equipment.”

- Joanne Underwood (Facility Coordinator. BMW Group)
