To Whom It May Concern,

Throughout the years we have accomplished several projects with Sunshine State Air Conditioning, Inc. Mr. Mauricio Correa and his team, have proven that all work is done with superior quality and great care. All their projects were accomplished in a timely and very orderly manner. Along with their quick and efficient work, everything is installed with excellent workmanship quality. In addition to their high quality workmanship, they provide great services at affordable prices this is why they continue to stand out in all projects.

Sunshine State A/C has surpassed our expectations this is why it is with great pleasure that I recommend them to you.

Best Regards,
Jorge Gonzalez
