To Whom It May Concern:

Re: Mr. Mauricio Correa
Sunshine State Air Conditioning, Inc.

We have subcontracted with Sunshine State Air Conditioning, Inc., on various projects; large and small. Sunshine recently completed the BMI relocation project for us, which consisted of new black steel piping, 36 mechanical units and ductwork distribution of over 35,000 /sf of new office space.

Our experience with Sunshine is that they are highly experienced, their performance and end product was of high quality, on schedule, and within the contracted budget.

We continue to subcontract with Sunshine State Air Conditioning, Inc., for all types of mechanical work and would highly recommend them.

Please feel free to contact me if you should have any questions.

Sincerely,
