

**P&G ENGINEERING DESIGN
GROUP CORP.**

MECHANICAL - ELECTRICAL & PLUMBING DESIGN
ENGINEERING CONSULTING SERVICES

PROFESSIONAL REFERENCE

From: **Luis O. Perez**
President
P&G Engineering Design Group

Recommendation for: **Sunshine Air Conditioning**
4960 NW 165 Street
Suite B-11 Miami, FL 33014

To whom it might concern:

I am writing this professional reference upon request of Mauricio Correa, president of **Sunshine State Air Conditioning Inc** who has worked in conjunction with P&G Engineering for the past five years.

Sunshine Air Conditioning has worked in a variety of complex design-as built projects where detailed plans has dictated specific method of installation making the execution/performance very difficulty thus requiring a high level of field personnel. Sunshine has always fulfilled the intent of the plans accomplishing the ultimate goals with outstanding quality in its performance.

Consequently, Sunshine Air Conditioning Inc is herein recommended as responsible and responsive company that has proven to be reliable and competent throughout the years in their performance.

Sincerely,

Luis O. Perez, PE
P&G Engineering Design
President
