To Whom It May Concern:

This will serve to inform that Mr. Mauricio Correa from Sunshine Air Conditioning, Inc. and his team have successfully handled our mechanical installations over the past several years for various repeat projects. Some of them comprise renovations for Jackson Memorial Holtz Neo Natal Intensive Care Unit, Miami Dade Water and Sewer 25,000 SF of renovations to their LeJeune Office Building, Miami Dade County Auditorium renovations among a few.

Sunshine Air Conditioning, Inc. and his personal have been very time efficient with the construction phases. They have excellent coordination with their personnel and other subcontractors. We would certainly continue to work with Sunshine Air Conditioning, Inc. as part of our construction team.
