Re: Sunshine State Air Conditioning, Inc.

To Whom It May Concern:

This letter of reference is for **Sunshine State Air Conditioning, Inc.** We have used them on several restaurant projects in the last few years as a subcontractor for air conditioning work. We have found them to be fully competent and professional. We would gladly recommend them as a subcontractor.

For further information contact me at (770) 447-4332.

Sincerely,

Don Davidson  
President
