TO WHOM THIS MAY CONCERN:

RE: Mr. Bijan Zaghi

This is a letter of recommendation to any individual(s) who might retain Mr. Bijan Zaghi in the future. I have used Mr. Zaghi's services over the past six years to complete many different projects in my personal residence. He is extremely knowledgeable, professional and most of all he is an expert craftsman. For example, he has built for us, kitchen cabinets, desks and book cases in our study, a television center in our den, and a complete bedroom set in the master bedroom, and has completed his work in a very timely fashion, and his workmanship is perfect.

I highly recommend Mr. Zaghi and would be very happy to speak to any person by telephone to confirm all of the above.

Sincerely,

MICHAEL J. BERGER, ESQ.

Dear Bijan,

I'm writing today because I wanted to take a moment to stop and say thank you for everything you've done. Over the last eleven years, working with you has been a personal joy and a professional boon that deserves a moment of recognition.

For over a decade now, I've had the very best experience in doing business with Nu Design, and with you personally. Dealing with you day to day is both enjoyable and enriching. Your work is top quality, and the variety of choices you allow me to offer my clients is beyond reproach. I've heard nothing but wonderful things about how much my clients enjoy their cabinets and closets long after the initial installations, and they always have something nice to say about your professional, friendly installers. All of this, and you still manage to provide some of the most competitive rates I have ever seen.

Work of this caliber should be praised and rewarded, and I hope that expressing my deep gratitude to you for your exceptional business sense and good humor will brighten your day. Please, in the future, should you need a reference from me, only ask. I'll be more than happy to provide that, and more.

Warmest regards,

Joe Vogt

Dear Bijan,

Both Amanda and I are very happy with our kitchen. It came out great!

You and your team have been wonderful to deal with. Not only did you supply us with a beautiful kitchen, the way you worked with us on timing, follow up and finishing the project was fantastic.

Our kitchen was competitively priced and you gave us bang for our buck.

Hope to repeat this work with you in our next home.

Kind regards,

Dear Bijan,

I am writing to thank you for designing and constructing my beautiful office. You did an outstanding job with such a limited space. Now my husband is very happy that he no longer sees a cluttered corner of office equipment, papers, and books piled up on non-matching desk tops and cabinets. I am so pleased with what you've done that I'm calling all my friends and inviting them over to see my new office.
Thank you so very much for a job well done!

Sincerely,
