RE: Services by Benchmark

Dear Mr. Eaton:

It is my pleasure to recommend Benchmark to you. We have worked with Joe Troisi. for several years now in the areas of BIM or "3D" modeling, surveying or assisting with the coordination process. Joe has always provided exceptional service for each project.

Please feel free to contact me with any questions you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Tom Massaro', is written over a light blue horizontal line.

Thomas Massaro, LEED AP
