RE: Services by Benchmark

Dear Scott and Doug:

*Let us
get you
there*

It is my pleasure to recommend Benchmark to you. I've contracted this firm to work with me on numerous projects over the past three years. Whether it is BIM or 3-D modeling, surveying, or assisting with the coordination process, they've delivered top-notch service in each instance.

I'm very happy with their work and would be glad to speak with you to share my positive experiences. Feel free to contact me with any questions.

Very truly yours,
