Re: **Home Improvement Contractor**

Dear **PRECISION CONCRETE INC**

It is time to renew your license/registration which expires on **03/31/2024**. You must use a credit or debit card to renew online. Certain gift cards with a Visa, MasterCard, Discover or American Express Logo on the front may also be used (check with card provider).

To renew, carefully follow the steps below:

1. Go to WWW.NJConsumerAffairs.gov/renew.
2. Click on Renew a License.
3. Choose your profession or business from the pull down menu.
4. Read the terms of the specific license type.
 - a. If you have previously created a User ID and Password, click on "Existing User: Proceed to Login" and login with your User ID and Password to begin your renewal (and disregard steps 5 through 7). If you have forgotten your User ID and Password, you may recreate them by continuing from Step 4b below.
 - b. If you have not previously created a User ID and Password, click on "New User: Proceed to Renew License" and continue to step 5.
5. Enter your License Number **13VH09156200** and your Registration code **84136151** in the "Renewal Letter Registration" section and click the "Search" button. (Do not enter information into the "Other Registration" section or use codes on letters from prior renewals, as these will no longer work.)
6. Verify the data that appears and create your personal User ID and Password. Click the "Register" button to complete the registration process.
7. Login using your newly created personal User ID and Password and begin your renewal.

SPECIAL INSTRUCTIONS:

- All renewals must be completed online. Paper renewals will not be available or accepted.
- It is mandatory that all CDS registrants provide a New Jersey DEA number in order to renew a CDS registration.
- If any information provided on your original application or this renewal changes, you must notify the Division within 30 days of the change.
- Please be advised that Home Improvement Contractors (HIC) must provide their Liability insurance information in order to renew a (HIC) registration.
- For those who do not have access to a personal computer, computer access may be available through your local public library and your employer. The Division of Consumer Affairs offices located at 124 Halsey Street, 3rd floor, Newark and 140 East Front Street, 3rd floor, Trenton also provide computer access.
- Your license/registration will be administratively suspended if it is not renewed within 30 days of the expiration date. If your license/registration is administratively suspended, you must contact your board or committee for instructions on reinstatement procedures and associated fees.

Sincerely,
 New Jersey Division of Consumer Affairs
