Mr. Peterson,

I wanted to thank you for the professionalism of your entire staff and work crew as it related to the application of our new roof. We have some loose ends to take care of before winter but I have no doubt in my confidence to continue to work with your group. From Cathy to Mike Chrouser and **especially to Radek and his crew**, they all exhibited tremendous professionalism and courtesy. I would be happy to provide any referral but figuring your crew performs like this on a regular basis, you no doubt have your fill of referrals.

Thanks again...
