I would like to take this opportunity to commend your company on the quality of our recent re-roofing. Since we are a daily operating facility, the cleanliness at the job site on a daily basis was much appreciated. The cooperation of your staff in getting our employees in and out and getting the tractor trailers delivering goods to us in and out was critical to our operation and again we thank you for all your efforts.

Joe, the project foreman, was detailed and worked tirelessly to complete the job even when weather conditions were not conducive to his comfort. On a daily basis, Joe was detailed in his explanations of the work being performed. He was courteous and polite. This was a very nice touch from a roofing contractor.

It was our pleasure to refer Peterson Roofing to our neighbors, across the street, for their roof repairs. I understand that they too were very pleased with the work and service.

Thank you for a job well done and I look forward to years of dependability from your product and installation.

Sincerely,

R.M. 'Ric' Warchol

Vice President & General Manager
