Arena Painting Contractors, Inc.
525 E. Alondra Blvd
Gardena, CA 90248

Subject: Letter of Reference

To Whom It May Concern:

In April of 2008, Hensel Phelps Construction Co. (HPCC) awarded Arena Painting Contractors, Inc. (APC) a Subcontract for the Vandenberg AFB Family Housing project. The scope entails paint and stain work for 164 new single family homes, one community center, and one maintenance building.

APC has met and exceeded the high standards HPCC sets for its Subcontractors, and their consistent performance used as a basis for comparing other Subcontractors. APC stands out in many areas including safety, completion of work on schedule, reliability, quality of workmanship, and attention to detail. Additionally, APC has been exceptionally helpful in resolving field issues and providing expertise for owner requested design changes.

Arena Painting Contractors, Inc. has been an outstanding Subcontractor for the project, and we look forward to working with them again on future projects.

Sincerely,

Glenn Lee
Project Superintendent
Hensel Phelps Construction Co.
